114	PS	Wood exporter	Suriname Wood Company (SWC)

*Note.* In the column, "Sectors", stakeholders are assigned to one of the five target groups identified in the project description (EuropeAid/150699/HH/ACT/Multi-7). The five target groups defined in the project description are: CC = coastal communities, CS = civil society, HI = hydrocarbon industry, IF = industrial fisheries, & NRA = national regulatory agencies (EuropeAid/150699/HH/ACT/Multi-7, p. 5-7). Additionally, the GHFS proposes that two other target groups be added to the column "Sectors": GOV = government (stakeholders that are part of the national government, but do not hold legal and/or administrative responsibility for marine governance, spatial planning, resource extraction, regulations, guidelines and enforcement measures), & PS = private sector.
